

Executive Snapshot™

Custom Dashboards for CRM OnDemand

One Screen.
All Your CRM Vitals.

Executive Snapshot™ is a custom built dashboard tailored to answer your top questions. Take the pulse of your business with a click. Want a status update on leads? Pipeline strength? Customer issues? Want it all at once? If it's in CRM OnDemand, then it can be on your screen in a graphical, easy-to-read snapshot.

San Francisco Consulting Group (SFCG) packages the business intelligence consulting with technical execution. You get rapid deployment of key charts with little time invested. In as little as two meetings you'll have a dashboard that evokes meaning. Plus, with fixed bid pricing costs stay contained.

To get a proposal for an executive dashboard contact San Francisco Consulting Group or your Oracle representative today.
